NORTH DENMARK REGION

### Aim

- The aim of this workshop is to establish how each of us can benefit from the Ramazzini Centre now and in the future through better networking and collaboration.

DANISH  
ramazzini  
CENTRE

### We would like you to discuss the following topics:

- How are we using the Ramazzini Centre now?
- How would we like to use it in the future?
- How can we achieve this aim?

DANISH  
ramazzini  
CENTRE

### The process consists of 3 steps:

- 1. Groups come up with their own ideas regarding the three questions
- 2. Visit to other groups
- 3. Homecoming: Back in your own group, new ideas and inspiration is shared, and final presentation is prepared.

CENTRE

### There are two roles:

- Host Role
  - Each group choose a host, which must ensure the good mood around the table, and make sure that everyone gets their say.
  - The host must present the group's work during the visit round.
- Guest Role:
  - The group's other participants are distributed to the other groups during the visitors round.
  - Groups must get ideas and inspiration for their own further work

ramazzini  
CENTRE

### STEP 1: Work in group for 10 mins

- Select group host (ensures the process and takes notes along the way)
- Brainstorming and exchange of experiences:
  - How are we using the Ramazzini Centre now?
  - How would we like to use it in the future?
  - How can we achieve this aim?
- The host:  
Make notes so you can share the group's ideas and considerations in the visitors round

DANISH  
ramazzini  
CENTRE

### STEP 2: Visitor's round (10 mins)

- The host stays at the table and tells the visitors about the group's work
- The group's other participants are distributed to the other tables.
- Guests:
  - Listens to what the host has to tell
  - Are curious about the group's work
  - Help to develop the group's ideas

ramazzini  
CENTRE

### STEP 3: Homecoming and preparation (15 mins)

- Inspired by the new input and knowledge, the group's previous work is further developed
- The group's will finish their presentation on a flip-chart:
  - How are we using the Ramazzini Centre now?
  - How would we like to use it in the future?
  - How can we achieve this aim?
